Tanish Kumar

Email: tanishrajput673@gmail.com

Phone: +91-7668638105

Location: Ghaziabad, India

Objective

Aspiring Machine Learning Engineer with strong foundations in Python, Deep Learning, and NLP. Passionate about building intelligent systems and solving real-world problems.

Skills

Python, SQL, Machine Learning, Deep Learning (CNN, LSTM), NLP, TensorFlow, PyTorch, Scikit-learn, Pandas, NumPy

Projects

Resume Analyzer: Built using TF-IDF and BERT for job-resume matching.

MNIST Classifier: CNN model with 98% accuracy.

Sentiment Analysis: LSTM-based NLP project.

Education

B.Tech in Computer Science (2022–2026)

Certifications

Machine Learning by Andrew Ng, Deep Learning Specialization

Achievements

Solved 300+ DSA problems, participated in hackathons
